Properties & Questions

Properties & Questions

Can't a property that is identified through an elephant also be identified through a jasmine?

What are the properties that can be identified through both?

❖Are they divisible?   ❖Are they reorderable?
❖Are they comparable?   ❖Are they substitutable?
❖Are they connectable?   ❖Are they satisfiable?
❖Are they disturbable?

How can a property like divisibility that is identified through a thing also be identified through all the others, if everything changes? Does everything change? Is a property nothing?

Properties & Questions

Can't a property that is identified through an elephant also be identified through a tulip?

What are the properties that can be identified through both?

❖Are they divisible?   ❖Are they reorderable?
❖Are they comparable?   ❖Are they substitutable?
❖Are they connectable?   ❖Are they satisfiable?
❖Are they disturbable?

How can a property like divisibility that is identified through a thing also be identified through all the others, if everything changes? Does everything change? Is a property nothing?

Can't a property that is identified through an elephant also be identified through a lotus?

What are the properties that can be identified through both?

❖Are they divisible?
❖Are they comparable?
❖Are they connectable?
❖Are they disturbable?

❖Are they reorderable?
❖Are they substitutable?
❖Are they satisfiable?

How can a property like divisibility that is identified through a thing also be identified through all the others, if everything changes? Does everything change? Is a property nothing?

Properties & Questions

Can't a property that is identified through an elephant also be identified through a woman?

What are the properties that can be identified through both?

❖Are they divisible?   ❖Are they reorderable?
❖Are they comparable?   ❖Are they substitutable?
❖Are they connectable?   ❖Are they satisfiable?
❖Are they disturbable?

Can't a property that is identified through a one also be identified through any other one?

Can't a property that is identified through a thing also be identified through any other thing?

Research is the search to find whether the property identified through a one is common to all or not.

Is no property common?
